About the property

Great investment opportunity!

We are delighted to exclusively offer this three-bedroom house set on the beachside in El Paraiso Barronal. The house has not been touched since it was built in 1970 and is perfect for an investor or individual looking to build a dream residence. Situated in an ideal location, just five minutes away from the beach of Salduba, this property has a plot with great potential to build several levels including a basement, a second floor and a roof terrace, all subject to planning permission.

Offers are welcome!
