Guadalmina

Located close to Puerto Banús and the center of Marbella, Guadalmina is positioned south in Spain's southernmost autonomous region on the mainland, Andalucía. The area is part of the Costa del Sol, which consists of coastal towns and small communities spread over the provinces of Cádiz, Málaga and Granada, bordering the provinces of Seville and Córdoba.

Guadalmina is a quiet residential area southwest of the center of San Pedro, within close proximity of Guadalmina beach and the golf facilities of Real Club de Golf Guadalmina. The landscape is miraculously decorated with flowers, palms and other vegetation, is surrounded by beautiful mountains and has a magnificent view of the Mediterranean.
