About the property

Exceptional views of the Mediterranean Sea

A stunning residence located on a prime front-line golf position over-looking the prestigious fairways of the five-star resort, Villa Padierna, with three highly favored 18-hole golf courses. Its setting provides tranquility, beauty and security, all with short distance to everything Costa del Sol has to offer.

As well as the tranquil golf-views, villa Serena boasts exceptional views of the Mediterranean Sea, the coast of North Africa and the iconic Rock of Gibraltar. The architects have designed and built this home with exquisite materials and the latest technology.
