About the area

La Quinta

La Quinta is located south in Spain's southernmost autonomous region on the mainland, Andalucía. The area is part of the Costa del Sol, which consists of coastal towns and small communities in the western part of the province of Málaga, bordering the provinces of Cádiz, Seville, Córdoba and Granada.

Positioned east of Gibraltar, north of Puerto Banús and west of the center of Marbella, La Quinta is overlooking Nueva Andalucía, which is referred to as the Golf Valley, due to its proximity to golf clubs such as Las Brisas, Los Naranjos and Aloha. The landscape is miraculously decorated with flowers, palms and other vegetation, has beautiful mountains in the background and a magnificent view of the Mediterranean.
